Before you donate books to the library, make sure they are NOT:

• Left at the door (staff must approve)
• Small paperback novels
• Cookbooks
• Fiction or Non-Fiction from before 2010
• Children's books
• Encyclopedias, dictionaries, textbooks, or Reader's Digests
• Moldy, damaged, torn, etc.

We love books, we just do not have space for every book! We can only accept Fiction and Non-Fiction books written after 2010 in good condition at this time. Thank you for your understanding!
